

Press Release – ObjectSecurity collaborates with ITIL specialist Victor GmbH

(Palo Alto, CA, USA, and Bonn, Germany, 23 January 2009) - ObjectSecurity' today announced a collaboration with Victor GmbH in the area of mapping business-driven ITIL security best practices traceably to the IT landscape. The consultants of Victor GmbH have broad expertise in IT Service Management which, together with ObjectSecurity's leading expertise in model-driven security management, provides a powerful combination to carry out ITIL and Cobit projects that traceably extend to the actual IT enforcement.

ABOUT OBJECTSECURITY – ObjectSecurity is a leading specialist for IT security, middleware, information security policy management, and model-driven security. Apart from offering security regulatory compliance services (ISO 27000's/ITILv2, COBIT etc.), ObjectSecurity offers leading-edge consulting and products in the areas of model-driven security, security policy management, Service Oriented Architecture (SOA) security, regulatory compliance management etc. ObjectSecurity's solutions traceably aligns business-led security compliance and concrete IT security enforcement. ObjectSecurity's OpenPMF2.0™ IT security policy management product significantly simplifies security policy management thanks to its innovative model-driven security approach. It reduces cost/effort, aligns business and IT, enables secure IT agility, and enhances security. OpenPMF also includes multi-platform enforcement and monitoring. It offers far better flexibility and manageability than traditional identity management and authorization management solutions. OpenPMF 2.0 has already been included in several other US DoD projects. Other projects include a distributed virtual reality simulation toolkit, and several secure middleware platforms.

ABOUT VICTOR GMBH – Victor GmbH, Bonn, Germany, provides high-end consulting in IT Service Management based optimization, ITIL and BPM projects, service catalogues and SLAs, IT process optimization based on ITIL, ISO 20000, ISO 27001 check, IT benchmarks, Balanced Scorecards and outsourcing. Victor GmbH supports CIOs and CEOs in preparing, reviewing, renewal and negotiation of outsourcing contracts based on a broad experience in reputable companies. The experts of Victor GmbH act as trusted advisors in IT divisions of major European companies.
